[WWW.VENICESOCCER.ORG](http://WWW.VENICESOCCER.ORG)

Venice Area Youth Soccer Association (VAYSA) is a local community soccer club providing both competitive and recreational soccer programs. We are a non-profit 501(c) organization providing a positive environment that encourages teamwork, knowledge, responsibility, and sportsmanship through soccer to over 800 children and their families annually. We ask and welcome you to be part of our team by becoming a business sponsor. Your donations help with our annual expenses of charity scholarships, facilities maintenance, equipment purchases, trainers, field rental, and lights (help literally turn them on).
